(4 ayes 0 nays 2 absent) Motion carried

REPORT OF SPECIAL COMMITTEES

There were no reports

REPORT OF STANDING COMMITTEES **ORDINANCE & TECHNOLOGY**

1. O-1-17-1 an ordinance leasing Village-owned Real Property to the Kankakee River Metropolitan Agency for a term of ninety-nine years. (1st reading)

Trustee Watson had some concerns regarding this Ordinance. He wanted to know who drew up the agreement. It was noted that it was mutually drawn up by KMRA Attorney and our Village Attorney, this agreement has been in the works for approximately a year or more. Trustee Watson had questions about the demolition and who did the demolition, it was noted that KRMA did the demolition. He had question concerning the Insurance, he thought that 1,000,000 Insurance was not adequate, he stated there should be some type of environmental Insurance should be added to the policy around 10,000,000. He also noted that the Village of Bradley should be named as additional insured, he noted there is no plat attached to the Agreement and he thought there should be a site plan for residents that live near the plant. He had concerns about the construction time line and he thought the lease of 99 years is too long and it should be roughly 40 years. He had concerns for protection for the Village residents as far as capacity in the future. It was noted that Ordinance O-1-17-1 is a corresponding Ordinance to a lease that was read at a previous meeting. It was noted that this Ordinance had to be published in a local newspaper period and there is a 15 to 30-day period to act on. It was noted that the first Agreement was an Intergovernmental Agreement that was discussed. The new Ordinance will need a $\frac{3}{4}$ majority of the Board or 6 votes the Mayor would vote on this.

TECHNOLOGY

It was noted that we will be scheduling a meeting of the Whole or some appropriate measure to discuss the latest Technology issues.

UTILITIES AND EXPANSION

Trustee Watson read into the record the minutes from his Committee Meeting on Tuesday, January 3, 2017. The minutes are on file and on line.

- Approve a company that would meter the entire system simultaneously, smoke and dye-water test the single worst basin.
- 8 RFQ's were sent out and 8 were returned
- 2 Companies were selected out of the 8 RJN and Baxter Woodman both were invited back for interviews, both gave excellent presentations, Dir. Bessler gave a slight edge to RJN.

The committee voted 2-0 to move forward with RJN.

UNFINISHED BUSINESS

Hampton Inn Development Incentives – it was noted that the Hotel had previously come before the Board and asked for 7 years 100% sales tax agreement. The Board asked the Mayor to go back and renegotiate with Hampton Inn. The Mayor has negotiated a sales tax agreement of 5 years with a declining schedule 100% 1st year, 80% 2nd year, 60% 3rd year, 40% 4th year and then 20%, after that the Village would receive all of the sales tax. The Village will pay for the plan review of an approximate cost of \$5000 to \$6500.

Quasquicentennial this is the 125-year anniversary of the Village. Trustee Watson added this to the agenda. He wanted to know if there are any updates as to the Celebration of this event. The Mayor stated he has gone to 5 different individuals and asked them to chair the event and no one has come forward to accept the job. The Mayor has intentions to use Village personnel to plan the celebration and plans to have it in August

NEW BUSINESS

Sewer System Evaluation Study Contract recommendation was the RJN proposal. A motion was made by Trustee Watson and seconded by Trustee Redmond to take the recommendation of RJN for the sewer evaluation study with a cost not to exceed \$100,000 (4 ayes 0 nays 2 absent) Motion carried

ADJOURNMENT

A motion was made by Trustee Cyr and seconded by Trustee Watson to adjourn the meeting. The meeting was adjourned at 6:59 p.m. on a unanimous aye vote.

Submitted by,

Michael J. LaGesse, Village Clerk
