2011 BRADLEY POLICE DEPARTMENT

INTRODUCTION

On behalf of the men and women of the Bradley Police Department, I am pleased to present this 2011 Annual Report. Through hard work, vigilance and dedication to the department, this is the fifth year in a row that during the holiday season shopping period, there was no major crime committed. We are still facing an upswing in property related crimes, especially thefts and vehicle burglaries, and have made significant arrests with many of these cases.

Several accomplishments were achieved during the year, including the upgrade of the Communications Center, the purchase of P-25 compliant two-way mobile radios, upgraded video surveillance system around the facility, and various other facility improvements.

We also had one of the most successful National Night Out events, which included participation from all the metro area law enforcement agencies and well over three thousand people in attendance.

Again this year, we will face several challenges, including an increase in juvenile related crime and with efficient planning and effective deployment of our resources, we will continue to maintain the high quality of service the department provides to our residents, businesses and citizens that frequent the community.

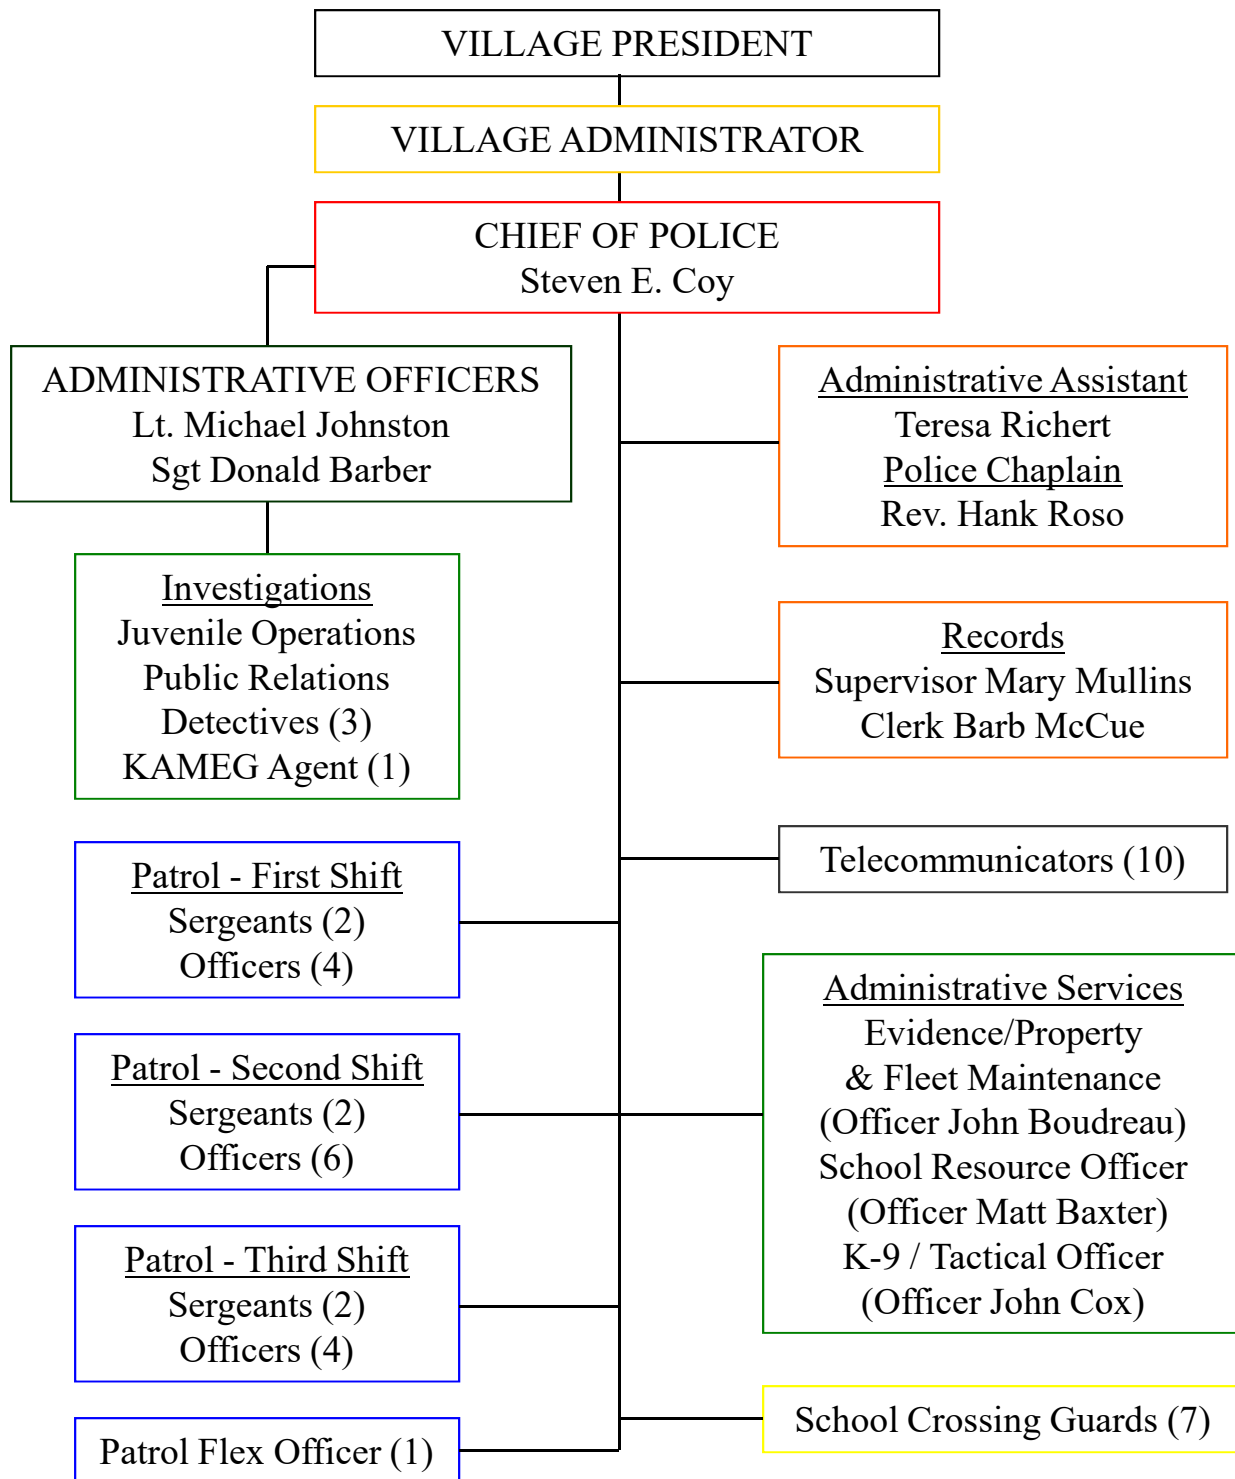

I am proud to lead a group of highly trained professional men and women and I thank Mayor Adams and the Board of Trustees for their continued support of the department.

Respectfully Submitted,

Steven E. Coy
Chief of Police

2011 BRADLEY POLICE DEPARTMENT

ADMINISTRATION

2011 INTERNAL AFFAIRS INVESTIGATIONS

During 2011, the Department received and investigated six complaints against personnel as mandated by policy. Two complaints were unfounded, two complaints were not sustained, one complaint was exonerated and one complaint was withdrawn.

ADMINISTRATIVE SECRETARY

Teresa Richert has been with the Village of Bradley for twelve years and has been involved in many areas within the Village. She has been the Executive Secretary of the Village President for eight years, and is also the Accounts Payable and Payroll Clerk. Since early 2009 she has been assigned to the Administrative Secretary to the Police Department. Her responsibilities include, but are not limited to, payroll for the Village and time allocation, file coordination, maintenance of the purchase order system, false alarm and enforced mowing billing and collection, assistant to the Police & Fire Commission and other miscellaneous duties as assigned.

POLICE & FIRE CHAPLAIN

Rev. Hank Roso was appointed Police & Fire Chaplain in late 2002 and has been a great asset to the department and local area. The Chaplain is a vital part of the overall team and becomes involved whenever the need arises. He has become the 'go to' person during times of tragedy and discomfort.

Rev. Roso has volunteered his time and services for our Holiday Shopping Trip and is quick to arrive on scenes in the middle of a cold winters night with hot coffee he has set up in the back of his SUV. Hank also provides counseling or just an ear for when and if village personnel need to discuss or rational incidents with someone outside their agency.

PATROL DIVISION

The Patrol Division of the Bradley Police Department consists of one Commander, 6 Sergeants and 20 Patrol Officers. The Patrol Division is the backbone of the Bradley Police Department. Its primary responsibilities include: The protection of life and property, the preservation of peace and order, the control and direction of traffic, the investigation of traffic crashes, the investigations of criminal acts in progress and the apprehension of criminals and the provisions of a myriad of other police services. These services include: Extra Patrol checks on businesses and residential dwellings, specialty vehicle patrol (HumV, ATV & Mountain Bike) and park checks. The Patrol Division provides twenty-four hour police service and respond to nearly 30843 emergency and non-emergency calls for service in 2011.

The Commander of the Patrol Division is Lt Michael Johnston. Since joining the department in 1996 he has served as School Resource Officer, Traffic Officer and Midnight Watch Commander as Sergeant prior to his current assignment. He can be reached on his office line of (815) 936-5115 or by his department e-mail at mtjohnston@thevillageofbradley.com. For more information you can visit the Operations section of the Bradley Police Department's website at www.bradleypolice.com.

The Patrol Division patrols nearly seven (7) square miles within the Village of Bradley utilizing 3 patrol shifts. The 1st Shift 0645 – 1515 hours, 2nd Shift 1445 – 2315 hours and the 3rd Shift which runs 2245 – 0715 hours. The 30 minute overlap on each shift change allows for those officers coming on duty to attend Roll Call and receive daily briefings and training sessions. This overlap also ensures that there are always police officers available to respond to incidents despite shift changes. The officers assigned to a patrol shift now rotate days off on 5 on, 2 off, 5 on, 3 off; 15 days cycle of 8.5 hour shifts. During the officers' tour of duty they may be dispatched to calls involving burglaries, robberies, assaults, domestic violence, alarms, reports of drunk drivers, prowlers, traffic crashes and many other calls for service.

COMMUNICATIONS

The **Emergency Communications Center**, also known as the 911 center, answers 911 and non-emergency calls for the Village of Bradley around-the-clock. Emergency communications personnel dispatch police, fire, emergency medical services, code enforcement and animal control calls for the community.

Enhanced 911 (E-911) provides Communications Center personnel with immediate address or GPS coordinate information on a 911 caller. This information is critical in providing immediate emergency services to citizens in need.

It is important that citizens use 911 for **immediate public safety assistance**. Non-emergency requests are handled by calling 815-933-3315

During 2011, the Communications Center equipment was upgraded which included new radio technology, and the addition of a third dispatch position. In addition, the Kankakee County ETSB erected a higher communication tower at the facility to improve communications and data flow between the area agencies.

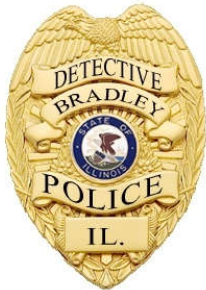

The department also purchased new mobile two-way radios for the police vehicles, which are P25 compliant. The Bradley Police Department is the only local agency that has a back-up communications system and digital capability. Upgrades were also made to the outdoor warning sirens within the village to allow activation by KANCOM.

Drug Enforcement Administration's Prescription Drug "TAKE BACK" Program

The Bradley Police Department, in partnership with Associate Counseling Center of Bradley and numerous other local law enforcement agencies, have taken an active role in the DEA's prescription drug "Take Back" program since its inception.

In 2011 two national dates were established for the "Take Back" of prescription drugs. On these dates (April 30th and October 29th) the public was encouraged to bring their unwanted prescription medications to the established collection point located in the parking lot of Associated Counseling Center at 300 N Kennedy Drive.

When citizens dropped off their unwanted medications they were given educational materials referencing the growing dangers of the abuse and improper disposal of prescription medications. Officers and other professionals were on hand at the site to assist and answer any questions that may arise.

This program was extremely successful yielding more than 15 large cases of prescription medications for each event. These drugs were then properly disposed of through the DEA thus protecting the environment and eliminating the risk of abuse by subjects.

The Bradley Police and other local law enforcement agencies continue their commitment to this program every day by providing prescription drop boxes located within their respective facilities for the disposal of any unwanted medications throughout the rest of the year.

The Bradley Police maintain their drop box in the front vestibule of the police station across from the telecommunications service window.
