Recalculation of Steve Coy's pension benefit; Based on the DOI opinion Coy's holiday pay would be pensionable due to him receiving it whether or not the holiday was worked. President Trudeau presented DOI criteria for holidays are based off three tests. One is Salary attached to rank which Coy is only person in rank of Chief. Two is what can be provided in documentation as to what holidays are counted. Third is what the Village has budgeted for as to holiday pay.

The only official documentation provided for holidays was the expired FOP contract with 11 Holidays. Treasurer Pries presented the current year and the prior year budgets which showed 12 holidays being budgeted for Coy.

Trudeau made motion to add 12 holidays to Coy's pension benefit. Roll call vote was all in favor and motion passed.
