Meeting call to order At 5:00 pm

Roll call Lebran, Redmen, Billingsley Streets + Alley

8-8-19

Motion Made to forgo review of last meetings minutes

Public Comment: Three Residents from Quate Hollow were present to voice complaints about sewer backup.

1) Gooberlet 2) Pieranzozzi 3) Dillon - all live on Flamingo Dr. Bradley. They state 9 homes total last affected. Thousands of dollars damage reported. They were seeking re-imbursement from the village. Village Adm, Commette trustees and finance director encouraged residents to submit claims to village (copies of bills + pictures of damage obtained by village staff)

Admin. explained that records need to be reviewed as to when issue is happening so proper action can be taken. Inconsistent tracking in the past could be a problem. Other possible resolutions were also suggested to residents.

New Business: 5 bids received from various road assessment companies. Cost range from 20,000 to 62,000.

Public Works director suggested the village utilize Robinson Contractor. Copies of bids supplied to Commette.

Suggested vote be taken next board meeting 8-12-19
