REPORT OF VILLAGE OFFICERS AND DEPARTMENT HEADS

PUBLIC WORKS Director Bessler gave his report for the month of August 2016.

Parks

- Continually mowing grass at the park sites

Streets

- Branch pickup has continued through the month of August. At this time they can no longer bring the branches to where they normally drop them off, so they are utilizing a chipper which has slowed down the process of branch pick up.
- Georgetown/Potomac project has been completed and they have planted grass
- Cardinal Drive Pond regarding the over growth and the Lily pads Director Bessler called in a specialist, they would need to use a chemical and it could possibly kill the fish in the pond. The suggestion was to either dredge the pond, or put in a chemical before the Lily Pads start to grow.

Trustee Redmond had a question about the chips, Director Bessler noted they are stock piling, he hopes they can get a structure for the chips eventually they will be accessible for Village residents to use. Trustee Watson suggested that we work with either Kankakee or Bourbonnais with a larger chipper to speed up the process.
