

Rental Responsibilities

It is your responsibility to make sure the pavilion area is cleaned up at the end of your event by picking up any trash, and emptying the trash cans into the dumpster. There is a key on the key ring you have that unlocks both the trash can padlocks and the padlock on the dumpster in the parking lot. We often have several events each weekend, by cleaning up after your event it assures the next group will have a clean site to enjoy.

If the electricity is not working on the outlets. Push the reset button located in the middle of the outlet.

Please make sure the bathroom doors are locked as you leave. You will be responsible for any damage that occurs in the bathrooms if the doors are left unlocked. Put the key in the lock, rotate counterclockwise 360 degrees and remove the key. The handle will still twist, but the door should be locked. Please check before leaving. The opposite procedure unlocks the bathroom doors.

IF THESE RESPONSIBILITIES ARE NOT MET, YOU WILL NOT RECEIVE YOUR DEPOSIT BACK WHEN YOU RETURN YOUR KEYS.

I agree to these responsibilities:
