Dear New Business Owner:

The Bradley Village Board of Trustees has adopted ordinances regulating business and licensing. There is a \$50.00 initial fee for each Business Registration. This fee may be waived for those businesses/organizations that operate at a not-for-profit status if they provide a copy of their not-for-profit status with their completed application forms. In addition, there is a \$50 Administrative Review fee due for application and inspections of all business locations.

Any business that does not complete a business application form will be subject to the non-compliance fines as outlined in Section 18-2 of the Bradley Code of Ordinances.

The Business Registration packet contains the following forms that must be returned with payment prior to a review of your application:

1. **Business Registration Application:** provide local business information; business owner information whether Sole Proprietor, Corporation or LLC; and building owner information as well as emergency contact information.
2. **License Fees Form** to indicate each type of license required for your business, the quantity of each and your mailing information.
3. **Business Review Application** to conduct zoning review and inspections by the Department of Building Standards in regard to your specific use of a business location.

Submit your application with fees by mail to the above address, attention Business Registration. You may also pay in person in the Main Office at 147 S. Michigan Avenue, Monday through Friday from 8:00 a.m. until 4:30 p.m. Checks payments should be payable to Village of Bradley.

Allow ten to fourteen business days for processing once your completed application packet has been received in our office. The licensing year is June 1 through May 31. Renewal notices will be sent each year by the Village of Bradley.
