**PZC FINDINGS OF FACT AND RECOMMENDATION OF APPROVAL FOR
A SPECIAL USE PERMIT
(PIN: 17-09-09-108-003)**

On April 5, 2022, at 6:30 p.m., at the Bradley Village Hall, 147 S. Michigan Avenue, Bradley, Illinois 60915, the Village of Bradley Planning and Zoning Commission conducted a public hearing, with public notice having been duly given for the same. At that hearing, the Planning and Zoning Commission considered whether to recommend approval or denial of a special use permit for an automobile repair facility (minor) pursuant to Section 60-154(2)(b) of the Village's zoning ordinance (the "Proposed Use"). Having heard and considered all of the evidence presented at the hearing and being fully advised in the premises, the Planning and Zoning Commission hereby finds as follows:

1. The Proposed Use is an authorized special use in the B-3 (Village Center Shopping) district pursuant to Section 60-154(2)(b) of the Bradley Zoning Ordinance.
2. The Proposed Use is compatible with surrounding land uses and the general area surrounding the subject property.
3. The Proposed Use is not inconsistent with the zoning classifications of other property within the general area of the subject property.
4. The subject property is suitable for the uses permitted under its existing zoning classification of B-3 (Village Center Shopping).
5. The Proposed Use is not inconsistent with the trend of development in the general area of the subject property.
6. The Proposed Use and the subject property's existing zoning classification of B-3 (Village Center Shopping) are not inconsistent with the official comprehensive plan of the Village.
7. The approval of the special use permit is in the public interest and not solely for the interest of the applicant.
8. The Proposed Use is necessary and desirable on the subject property and will likely provide the Village and its residents with services that are convenient and beneficial to the public.
9. The Proposed Use will likely contribute to the general welfare of the surrounding neighborhood or community.
10. The Proposed Use is not likely to be detrimental to the health, safety, morals, or general welfare of persons residing or working in the vicinity of the subject property.
11. The Proposed Use is not likely to be injurious to property values or improvements in the vicinity of the subject property.
12. The Proposed Use is compliant with all applicable regulations and conditions specified in the Bradley Zoning Ordinance.

Based on the foregoing findings, the Planning and Zoning Commission hereby recommends that the Corporate Authorities of the Village approve the applicant's request and adopt an ordinance

granting the applicant a special use permit authorizing an automobile repair facility (minor), subject to the following conditions and restrictions:

1. The subject business must comply with all other applicable requirements of the B-3 District at all times.
2. The subject business's hours of operation shall be limited as follows:
 - a. Monday and Thursday — 8am to 8pm; and
 - b. Tuesday, Wednesday, and Friday — 8am to 6pm; and
 - c. Saturday — 8am to 5pm.
3. No work on any interior or exterior improvements or alterations on the subject property may begin unless and until (i) building and development plans have been submitted to and approved by Village Staff and (ii) the business owner has applied for and received all required building permits.
4. Prior to commencing any exterior site improvements, (i) final engineering and construction plans must be submitted to and approved by the Village Engineer and (ii) any required/approved financial guarantee for all public and private site improvements (including landscaping) must be submitted in a form acceptable to the Village.
5. Prior to commencing any business operations, the business owner must submit a site signage plan for review and approval by the Village. No signs may be erected or altered on the subject property unless and until all required permits have been issued in compliance with the applicable Village codes.
