Brief Summary:

The State of Illinois (IDOT) will be making improvements to the intersection of Route 50 and Armour Rd. Portions of this project include traffic signals, lighting, walking paths, and drainage. As part of the requirements set by IDOT, we must provide a "No Parking" ordinance enforced in the construction zone for the duration of the project.

As there is already no parking allowed in this area, the waiving of 2 readings would be acceptable.
