INTER-OFFICE COMMUNICATION

DATE: September 17, 2021 TIME: 1:30p
TO: Chief D Barber
FROM: Lt P. Trudeau
REFERENCE: STOP Sign Proposal - Franklin Park

Chief Barber,

Earlier in the week I was speaking with Bradley Dist 61 Superintendent Goselin who mentioned a perceived speeding problem on Franklin St. Specifically, he stated that when the kids were at the Franklin Park, which doubles for a Bus Stop in the mornings, traffic moves fast by the kids. I was in the area on Thursday, Sept 15th from 0730-0745 and observed several vehicles begin to accelerate only to brake upon seeing the squad car. I believe his concern for speeding traffic and the safety of the children at the Bus stop & Park. Upon surveying Franklin St there are no STOP Signs posted on Franklin St between Schuyler and Clinton Ave. Considering the placement and use of the park I recommend we Post New STOP Signs for East/West traffic on Franklin St on either side of Franklin Park. The enclosed image shows the satellite map of Franklin St and Franklin Park (Yellow Triangle) and the currently posted signs in the area of the park. My suggestion are the STOP signs presented with a yellow border to help control traffic in proximity of the park.

Respectfully,

Lt Phil Trudeau

Brief Summary:

The Police Department is seeking to post a stop signs, making the intersection located at Franklin Street and Dearborn, and Franklin Street and Euclid both an three way stop intersection. Franklin Street is a throughway from Schuyler Avenue into the existing neighborhood to Route 50. The Bradley Police Department has had several complaints of speeders in this area and has prompted a safety concern due to several designated school bus stops and a park play ground adjacent to Franklin street and noted roadways.

Recommendation:

Approve Ordinance to make the intersection of Franklin Street and Dearborn Avenue along with Euclid Avenue, both three way stop intersection.
