On or about April 6th, 2020 the Village of Bradley intends to apply to the Illinois Department of Commerce and Economic Opportunity for a grant from the State Community Development Block Grant (CDBG) program under the HUD National Objective of “benefitting low-to-moderate income (LMI) persons”. The grant the Village of Bradley intends to apply for will close out its CDBG RLF program. This program is funded by Title 1 of the federal Housing and Community Development Act of 1974, as amended. The grant funds are to be used for a community development project that will repave deteriorated streets and replace deteriorated sidewalks in two target areas within Bradley. The Village of Bradley may also propose to use a portion of its CDBG funds for engineering costs and activity delivery costs. The total amount of CDBG funds to be requested is the full balance of Bradley’s RLF program which is estimated to be approximately \$2,009,949.68.

Information related to this project will be available for review prior to the public hearing as of March 16, 2020 in the Village Clerk’s office, Bradley Village Hall, 147 S.
