Brief Summary:

Rhonda Vandenberg, owner of Elite Medical Transportation is requesting approval to operate an ambulance service in a B-2 commercial district located at 1047-b E. Broadway. The applicant went before the Planning and Zoning Commission and the commission has recommended to move it to the Village board by a 6-0 vote.

This action needs board approval by Sec.60-21 of the Village’s zoning ordinance to determine:
 “When a use is not specifically listed in the sections devoted to permitted uses, it shall be assumed that such uses Are hereby expressly prohibited, unless by a written recommendation of the planning and zoning commission and approved by the village board it is determined that said use is similar to and not more objectionable than uses listed. Such uses may then be permitted.”
