 - (5) The total amount of other exclusions from gross rental receipts allowed by this article;
 - (6) Gross rental receipts which were received by him during the preceding calendar month and upon the basis of which the tax is imposed;
 - (7) The amount of tax due;
 - (8) The amount of penalty due, if any; and
 - (9) Such other reasonable information as the county may require.
- (b) The operator shall pay tax liability to the county on the 20th day of each month.
- (c) Quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.
- (d) Notwithstanding any other provision in this article concerning the time within which an operator may file his return, in the case of any operator who ceases to engage in a kind of business which makes him responsible for filing returns under this article, such operator shall file a final return under this article with the county treasurer, not more than one month after discontinuing such business.
- (e) Where the same person has more than one business registered with the county under separate registrations, such person shall not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.
- (f) In his return, the operator shall determine the value of any consideration other than money received by him in connection with the renting, leasing or letting of rooms in the course of his business, and he shall include such value in his return.

Such annual return to the county treasurer shall include a statement of gross receipts as shown by the operator's last state income tax return. If the total receipts of the business as reported in the state income tax return do not agree with the gross receipts reported to the county treasurer for the same period, the operator shall attach to his annual information return a schedule showing a reconciliation of the two amounts and the reasons for the difference. The operator's annual information return to the county treasurer shall also disclose payroll information of the operator's business during the year covered by such return and any additional reasonable information which the county treasurer deems would be helpful in determining the accuracy of the monthly, quarterly or annual tax returns by such operator, as hereinbefore provided for in this section.
- (j) If the annual information return required by this section is not filed when and as required, the taxpayer shall be liable for a penalty equal to one percent of the tax due from such taxpayer under this article during the period to be covered by the annual return, for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this article.
- (k) The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the county treasurer shall include a warning that the person signing the return may be liable for perjury.
- (l) The foregoing portion of this section concerning the filing of an annual information return shall not apply to an operator who is not required to file an income tax return with the United States Government.

- (a) As provided hereinafter in this section, every person engaged in the business of renting, leasing, or letting rooms in a hotel or motel in the county shall file a return on the 20th day of each month with the county treasurer stating:
- (1) The name of the operator;

 - (3) The total amount of rental receipts received by him during the preceding calendar month from renting, leasing or letting rooms during such preceding calendar month;
 - (4) The total amount of receipts received by him during the preceding month from renting, leasing, or letting rooms to permanent residents during such preceding calendar month;
 - (5) The total amount of other exclusions from gross rental receipts allowed by this article;
 - (6) Gross rental receipts which were received by him during the preceding calendar month and upon the basis of which the tax is imposed;
 - (7) The amount of tax due;
 - (8) The amount of penalty due, if any; and
 - (9) Such other reasonable information as the county may require.
- (b) The operator shall pay tax liability to the county on the 20th day of each month.
- (c) Quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.
- (d) Notwithstanding any other provision in this article concerning the time within which an operator may file his return, in the case of any operator who ceases to engage in a kind of business which makes him responsible for filing returns under this article, such operator shall file a final return under this article with the county treasurer, not more than one month after discontinuing such business.
- (e) Where the same person has more than one business registered with the county under separate registrations, such person shall not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.
- (f) In his return, the operator shall determine the value of any consideration other than money received by him in connection with the renting, leasing or letting of rooms in the course of his business, and he shall include such value in his return.

Such determination shall be subject to review and revision by the county treasurer.

- (g) Where the operator is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary or treasurer or by the properly accredited agent of such corporation.
- (h) The person filing the return herein provided for shall, at the time of filing such return, pay to the county treasurer the amount of tax herein imposed. All monies received by the county treasurer under the provisions of this article shall be paid into the county treasury.
- (i) The county treasurer may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the county treasurer on a form prescribed by the county treasurer, within not less than sixty (60) days after receipt of the notice, an annual information return for the tax year specified in the notice. Such annual return to the county treasurer shall include a statement of gross receipts as shown by the operator's last state income tax return. If the total receipts of the business as reported in the state income tax return do not agree with the gross receipts reported to the county treasurer for the same period, the operator shall attach to his annual information return a schedule showing a reconciliation of the two amounts and the reasons for the difference. The operator's annual information return to the county treasurer shall also disclose payroll information of the operator's business during the year covered by such return and any additional reasonable information which the county treasurer deems would be helpful in determining the accuracy of the monthly, quarterly or annual tax returns by such operator, as hereinbefore provided for in this section.
- (j) If the annual information return required by this section is not filed when and as required, the taxpayer shall be liable for a penalty equal to one percent of the tax due from such taxpayer under this article during the period to be covered by the annual return, for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this article.
- (k) The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the county treasurer shall include a warning that the person signing the return may be liable for perjury.
- (l) The foregoing portion of this section concerning the filing of an annual information return shall not apply to an operator who is not required to file an income tax return with the United States Government.
