Brief Summary:

The Village of Bradley has recently purchased new vehicles. This move has left the older vehicles to be less than road worthy for patrol functions, or un-usable in that capacity without expensive repairs.

The Village of Bradley has attached the equipment to the inventory. The attached Equipment list includes the manufacturer, model, vehicle identification numbers, and reason for disposal.

Prior to the disposal of data processing equipment, the Chief is responsible for assessing whether to remove equipment from the vehicles.

Recommendation:

The recommendation is that an ordinance authorizing the disposal of vehicles, reviewed, and adopted.
