Brief Summary:

The Village of Bradley Police Department has had three (3) vehicles wrecked and totaled out by the insurance carrier. There also has been an older computer which has also been found to be obsolete. This move has left all three vehicles to be sold for salvage and the older computer to be scrapped, or un-usable in that capacity without expensive repairs.

The Police Department has attached the equipment in the inventory. The attached Equipment list includes the manufacturer, model, vehicle identification numbers, and reason for disposal.

Prior to the disposal of data processing equipment, the Chief is responsible for assessing whether to remove equipment from the vehicles upon review of IT team.

Recommendation:

The recommendation is that an ordinance authorizing the disposal of the vehicles be drafted, reviewed, and adopted.
