RECITALS.

WHEREAS, the Park is the sole fee simple owner of record of certain real property, commonly known as “Perry Farm Park” with a common address of 459 Kennedy Dr., Bourbonnais Illinois (that is also shown in the Kankakee County GIS and Property Tax Inquiry Portal as 1095 W Perry, Bourbonnais IL and 459 N Kennedy Dr, Bourbonnais IL) and consisting of approximately 160 acres, currently located in unincorporated Kankakee County, Illinois (the “Property”), which is legally described on Exhibit A, attached hereto and incorporated herein;

WHEREAS, the Property, is contiguous to the Village, is not located within the corporate limits of any other municipality, and there are no electors residing within the Property; and

WHEREAS, the Park desires to have the Property annexed to the Village, on the terms and conditions provided herein and after annexation will continue to operate a public recreation center at the Property; and

WHEREAS, pursuant to Section 7-1-8 of the Illinois Municipal Code (65 ILCS 5/7-1-8), the Park filed a Petition for Annexation on July 31, 2023(the “Petition for Annexation”), with the Village and submitted to the Village Mayor and the Board of Trustees of the Village (collectively the “Corporate Authorities”) the question of whether the Village would annex the Property to the Village, contingent on the execution of this Agreement; and

WHEREAS, property annexed into the Village is classified as within the ER-1 until the property is later zoned in a manner provided by law; however, Section 11-15.1-2 of the Illinois Municipal Code (65 ILCS 5/11-15.1-2) authorizes municipalities to enter into annexation agreements that amend ordinances related to zoning; and

WHEREAS, after due and careful consideration, the Corporate Authorities have concluded that the annexation of the Property to the Village, on the terms and conditions hereinafter set forth, will further the orderly growth of the Village, increase the assessed value of the property therein, and serve the best interests of the Village and its residents; and

WHEREAS, pursuant to the provisions of Article 11, Division 15.1 of the Illinois Municipal Code (65 ILCS 5/11-15.1-1, et seq.) the Corporate Authorities held a public hearing

WHEREAS, notice of said public hearing(s) was given as provided by law and notice has heretofore been served on all public bodies pursuant to the provisions of Section 7-1-1 of the Illinois Municipal Code (65 ILCS 5/7-1-1); and

WHEREAS, this Agreement is entered into pursuant to all applicable authority including, without limitation, the Constitution of the State of Illinois of 1970 and the Village's powers and authorities under the Illinois Municipal Code (65 ILCS 5/1-1-1, *et seq.*) and the Village Code; and

WHEREAS, by a favorable vote of at least two-thirds (2/3) of the Corporate Authorities of the Village then holding office, the Village has adopted an ordinance authorizing the execution of this Agreement.

Section 1. INCORPORATION OF RECITALS.

The Parties agree that the foregoing recitals are material to this Agreement and are hereby incorporated and made a part of this Agreement as though they were fully set forth herein.

Section 2. DEFINITIONS.

All terms with initial capitalized letters in this Agreement shall have the meanings ascribed to them in (i) the Recitals above, in this Section, (ii) as prescribed in the Illinois Compiled Statutes, or (iii) as otherwise set forth in the body of this Agreement.

"Annexation Ordinance": The ordinance adopted by the Corporate Authorities annexing the Property to the Village pursuant to Section 7-1-8 of the Illinois Municipal Code (65 ILCS 5/7-1-8).

"Corporate Authorities": The President and Board of Trustees of the Village.

"Force Majeure": Strikes, lockouts, acts of God, material shortages, global pandemics, acts of civil disobedience and the revocation, suspension or inability to secure any necessary government permit, license or authority or other factors beyond a party's reasonable control and reasonable ability to remedy; provided, however, that Force Majeure shall not include delays caused by weather conditions, unless such weather conditions are unusually severe or abnormal considering the time of year and the particular location involved, economic conditions or factors, or factors caused in whole or in part by the act or omission of the Park.

"Plan Commission": The Planning and Zoning Commission (the "PZC") of the Village, established by the Village Code, and specifically Section 60, of the Bradley Zoning Ordinance

In addition, the Parties acknowledge that the Village will build for the Property, a sidewalk and fence improvement along all or part of the Property line adjacent to Kennedy Dr., as to be mutually agreed to by the Parties, at a reasonable cost to the Village and the parties' mutual agreement to such improvement not to be unreasonably withheld.

Section 6. APPLICABLE LAW AND PROCEDURES.

The Property shall be used in conformance with the Village Code and the Zoning Ordinance, except for those amendments or exemptions to the Village Code and/or Zoning Ordinance specifically provided for in this Agreement.

Section 7. ENFORCEMENT.

A. **Remedies.** Unless specifically provided otherwise herein, upon a breach or Default (hereinafter defined) of this Agreement, a party to this Agreement may: (1) secure in any court of competent jurisdiction, by an appropriate suit, action, mandamus, or other proceeding at law or in equity: (a) specific performance of the covenants and agreements herein contained; (b) damages for failure of performance; or (c) both; and (2) have such other relief as is, by law or in equity, available to it. Notwithstanding the foregoing, the Park agrees that it will not seek, and does not have the right to seek, to recover a judgment for monetary damages against the Village or any elected or appointed officials, officers, employees, agents, representatives, engineers, or attorneys thereof, on account of the negotiation or execution of any of the terms and conditions of this Agreement. In the event of a judicial proceeding brought by one party to this Agreement against the other party to this Agreement, the prevailing party in such judicial proceeding shall be entitled to reimbursement from the unsuccessful party of all costs and expenses, including reasonable attorneys' fees, incurred in connection with such judicial proceeding.

B. **Cure of Default.** If a party fails to perform an obligation under this Agreement, it will be in default of this Agreement if it has not cured such failure within thirty (30) days after receipt of written notice of such failure, unless such failure cannot reasonably be cured within said thirty (30) day period, in which case the party shall be in default of this Agreement if it has not initiated a cure to such failure within such thirty (30) day period or, following such period, it has not diligently pursued the cure of such failure (a "Default"). If the performance of any covenant to be performed hereunder by any party is delayed because of Force Majeure, the time for such performance shall be extended by the amount of time of such delay. The party claiming delay of performance because of a Force Majeure event shall deliver written notice of the delay resulting from such Force Majeure, along with an estimate of the duration of such delay, not later than one (1) day after the claiming party becomes aware of the same.

C. **No Liability of Corporate Authorities.** The Parties acknowledge and agree that each individual member of the Corporate Authorities, if liable for a breach of this Agreement, will be liable solely in his or her official corporate capacity and will have no personal liability whatsoever for any breach of this Agreement by the Village.

D. **Village Review.** The Village is not, and shall not be, in any way liable for any damages or injuries that may be sustained as the result of the Village's review and approval or failure to approve of any plans for the Property, or for the issuance of any approvals, permits,

certificates, or acceptances for the use of the Property. The Village's review and approval of any such plans and the issuance of any such approvals, permits, certificates, or acceptances does not and shall not, in any way, be deemed to insure the Park, or any of its heirs, successors, assigns, tenants, and licensees, or any third party, against damage or injury of any kind at any time.

E. Park Indemnity. The Park shall hold harmless, protect, defend, and indemnify the Village, all Village elected or appointed officials, officers, employees, agents, personnel, representatives, engineers, insurers, contractors, and attorneys from any and all claims, damages, losses, liabilities, obligations, disputes, demands, damages, causes of action, lawsuits, injury, costs, and expenses that may be asserted at any time against any such parties arising out of negligent acts or omissions with respect to this annexation. Such obligations include the obligation to pay any and all expenses, including legal fees and administrative expenses, incurred by the Village in defending itself with regard to such claims.

Section 8. GENERAL PROVISIONS.

A. Term of Agreement. This Agreement shall be effective from its Effective Date for 20 years, unless sooner terminated as provided herein. During the term of this Agreement as set forth above, the Parties shall not seek or cause disconnection, de-annexation, or exclusion of the Property except upon the written consent of the Corporate Authorities. The expiration of the term of this Agreement shall not affect the continuing validity of the zoning of the Property, any ordinance enacted by the Village pursuant to this Agreement, or any agreement separately entered into by the Parties pursuant to this Agreement.

B. Notice. Any notice or other communication required or permitted to be given under this Agreement shall be in writing and shall be: (1) personally delivered; (2) delivered by a reputable overnight courier; (3) sent by certified mail, return receipt requested, and deposited in the U.S. Mail with postage prepaid; or (4) delivered by electronic mail ("Email"). Unless otherwise expressly provided in this Agreement, notices shall be deemed received upon the earlier of: (i) actual receipt; or (ii) one (1) business day after deposit with an overnight courier, as evidenced by a receipt of deposit; or (iii) three (3) business days following deposit in the U.S. mail, as evidenced by a return receipt. C. Time of the Essence. Time is of the essence in the performance of all terms and provisions of this Agreement.

D. Binding Nature. This Agreement and the agreements, covenants, rights, and promises set forth herein shall run with the land and shall both bind and benefit the Parties' respective successors and assigns, including successor members of the Village's Corporate Authorities and the Park District Commissioners. This Agreement may be assigned by the Park with the Village's prior written approval and, upon said assignment and acceptance by an assignee, the assignor shall have no further obligations hereunder. Any successor or assignee of the Park shall have the same rights and obligations of the Park with respect to the Property. If a successor or assignee of the Park actively undertakes the Development, it will be bound by the obligations of this Agreement. Nothing in this Agreement shall in any way be deemed to prevent the alienation, encumbrance, or sale of the Property or any portion thereof.

E. Governing Law. This Agreement shall be governed by, construed, and enforced in accordance with the internal laws, but not the conflicts of laws rules, of the State of Illinois.

F. Severability. It is the intent of the Parties to this Agreement that if any provision, covenant, agreement, or portion of this Agreement or its application to any person or property is found to be invalid, illegal or unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement will continue to be valid and enforceable if they can be interpreted, applied, and enforced, consistently with applicable law, to achieve the purpose and intent of this Agreement, including the intent of any invalid provision. The Parties, or any party claiming by or through them, shall not contest or dispute the validity, legality, or enforceability of any provision,

covenant or portion of this Agreement or of any ordinance adopted by the Village pursuant to this Agreement.

G. Interpretation. This Agreement shall be construed without regard to the identity of the party who drafted the various provisions of this Agreement. Each and every provision of this Agreement shall be construed as though all Parties to this Agreement participated equally in the drafting of this Agreement. Any rule or construction that a document is to be construed against the drafting party shall not be applicable to this Agreement.

H. Exhibits. All Exhibits attached hereto are, by this reference, incorporated in and made a part of this Agreement. In the event of a conflict between an exhibit and the text of this Agreement, the exhibit shall control.

I. Amendments and Modifications. No change to this Agreement shall be effective unless and until such change is reduced to writing and approved by the Village and executed by the Park at the time any modification is intended to be effective, pursuant to all applicable statutory or other procedures. The approval or amendment of any plan providing for the development of the Property will not, in and of itself, be deemed an amendment to this Agreement.

J. Headings. The table of contents, headings, titles, and captions in this Agreement have been inserted only for convenience and in no way define, limit, extend, or describe the scope or intent of this Agreement.

K. Consents. Whenever the consent or approval of any party hereto is required in this Agreement such consent or approval shall be in writing and shall not be unreasonably withheld or delayed, and, in all matters contained herein, the Parties shall have an implied obligation of reasonableness except as may be expressly set forth otherwise.

L. Grammatical Usage and Construction. In construing this Agreement, feminine or neuter pronouns shall be substituted for those masculine in form and vice versa and plural terms shall be substituted for singular and singular for plural in any place in which the context so requires.

M. Rights Cumulative and Non-Waiver. Unless expressly provided to the contrary in this Agreement, each and every one of the rights, remedies and benefits provided by this Agreement shall be cumulative and shall not be exclusive of any other such rights, remedies and benefits allowed by law. No party to this Agreement shall be under any obligation to exercise any of the rights granted to it in this Agreement. The failure by any party to this Agreement to exercise at any time any such right shall not be deemed or construed to be a waiver thereof, nor shall such failure void or affect such party's right to enforce such right or any other right. No action taken by any party hereto to enforce this Agreement shall be deemed to constitute an election of remedies and all remedies set forth in this Agreement shall be cumulative and non-exclusive of any other remedy either set forth herein or available to any party at law or in equity.

N. Authority to Execute. Each Party hereby warrants and represents to the other that the persons executing this Agreement on its behalf have been properly authorized to do so by their Corporate Authorities.

O. **Calendar Days and Time.** Any reference herein to "day" or "days" shall mean calendar and not business days. If the date for giving of any notice required to be given hereunder or the performance of any obligation hereunder falls on a Saturday, Sunday, Federal holiday or Illinois State holiday, then said notice or obligation may be given or performed on the next business day thereafter.

P. **Changes in Laws.** Unless otherwise explicitly provided in this Agreement, any reference to any Requirements of Law shall be deemed to include any modifications of, or amendments to such Requirements of Law as may, from time to time, hereafter occur.

Q. **No Third-Party Beneficiaries.** No claim as a third-party beneficiary under this Agreement by any person, firm, corporation, or other entity shall be made or be valid against the Village or the Park, and the Village and the Park do not intend to confer any benefit upon any such person, firm, corporation, or entity by this Agreement. This Section shall not be deemed to limit the rights of successors.

R. **No Mortgage.** The Park affirmatively state and represent that currently there is no mortgage or other security interest affecting title to the Property.

THIS ANNEXATION AGREEMENT (this "Agreement") is made and entered into as of the ____ day of _____, 2023 (the "Effective Date"), by and between Bourbonnais Township Park District, a Park District organized under the Park District Code, 70 ILCS 1205/1-1, et seq. (the "Park"), and the Village of Bradley, an Illinois municipal corporation located in Kankakee County, (the "Village" and together with the Park, the "Parties").

RECITALS.

WHEREAS, the Park is the sole fee simple owner of record of certain real property, commonly known as "Perry Farm Park" with a common address of 459 Kennedy Dr., Bourbonnais Illinois (that is also shown in the Kankakee County GIS and Property Tax Inquiry Portal as 1095 W Perry, Bourbonnais IL and 459 N Kennedy Dr, Bourbonnais IL) and consisting of approximately 160 acres, currently located in unincorporated Kankakee County, Illinois (the "Property"), which is legally described on Exhibit A, attached hereto and incorporated herein;

WHEREAS, the Property, is contiguous to the Village, is not located within the corporate limits of any other municipality, and there are no electors residing within the Property; and

WHEREAS, the Park desires to have the Property annexed to the Village, on the terms and conditions provided herein and after annexation will continue to operate a public recreation center at the Property; and

WHEREAS, pursuant to Section 7-1-8 of the Illinois Municipal Code (65 ILCS 5/7-1-8), the Park filed a Petition for Annexation on July 31, 2023 (the "Petition for Annexation"), with the Village and submitted to the Village Mayor and the Board of Trustees of the Village (collectively the "Corporate Authorities") the question of whether the Village would annex the Property to the Village, contingent on the execution of this Agreement; and

WHEREAS, property annexed into the Village is classified as within the ER-1 until the property is later zoned in a manner provided by law; however, Section 11-15.1-2 of the Illinois Municipal Code (65 ILCS 5/11-15.1-2) authorizes municipalities to enter into annexation agreements that amend ordinances related to zoning; and

WHEREAS, after due and careful consideration, the Corporate Authorities have concluded that the annexation of the Property to the Village, on the terms and conditions hereinafter set forth, will further the orderly growth of the Village, increase the assessed value of the property therein, and serve the best interests of the Village and its residents; and

WHEREAS, pursuant to the provisions of Article 11, Division 15.1 of the Illinois Municipal Code (65 ILCS 5/11-15.1-1, et seq.) the Corporate Authorities held a public hearing

during which they considered a proposed annexation agreement, in substance and form substantially the same as this Agreement, and the Village has held all other public meetings and hearings required for the Corporate Authorities to consider and approve the matters approved herein; and

WHEREAS, notice of said public hearing(s) was given as provided by law and notice has heretofore been served on all public bodies pursuant to the provisions of Section 7-1-1 of the Illinois Municipal Code (65 ILCS 5/7-1-1); and

WHEREAS, this Agreement is entered into pursuant to all applicable authority including, without limitation, the Constitution of the State of Illinois of 1970 and the Village's powers and authorities under the Illinois Municipal Code (65 ILCS 5/1-1-1, *et seq.*) and the Village Code; and

WHEREAS, by a favorable vote of at least two-thirds (2/3) of the Corporate Authorities of the Village then holding office, the Village has adopted an ordinance authorizing the execution of this Agreement.

NOW, THEREFORE, for and in consideration of the mutual covenants, promises and agreements hereinafter set forth, the Parties agree as follows:

Section 5. ASSISTANCE AND COOPERATION; Disconnection.

The Parties to this Agreement shall do all things necessary or appropriate to carry out the terms and provisions of this Agreement and to aid and assist each other in carrying out the terms and objectives of this Agreement and the intentions of the Parties as reflected by said terms. The Village agrees to carry out the terms and objectives of this Agreement, by: (1) giving notices, holding hearings, and considering the enactment of resolutions and ordinances and amendments thereto; (2) reasonably cooperating with the Park in the Park’s efforts to obtain federal, state, or local grants or funds to develop the Property, all at no cost to the Village; and (3) reasonably cooperating with the Park in the Park’s efforts to obtain approvals from other governmental agencies, which may include the execution of applications, permit requests, and other documents, all at no cost to the Village. Neither Party shall act to disconnect the Property from the Village after annexation.

In addition, the Parties acknowledge that the Village will build for the Property, a sidewalk and fence improvement along all or part of the Property line adjacent to Kennedy Dr., as to be mutually agreed to by the Parties, at a reasonable cost to the Village and the parties' mutual agreement to such improvement not to be unreasonably withheld.

Section 6. APPLICABLE LAW AND PROCEDURES.

The Property shall be used in conformance with the Village Code and the Zoning Ordinance, except for those amendments or exemptions to the Village Code and/or Zoning Ordinance specifically provided for in this Agreement.

Section 7. ENFORCEMENT.

A. Remedies. Unless specifically provided otherwise herein, upon a breach or Default (hereinafter defined) of this Agreement, a party to this Agreement may: (1) secure in any court of competent jurisdiction, by an appropriate suit, action, mandamus, or other proceeding at law or in equity: (a) specific performance of the covenants and agreements herein contained; (b) damages for failure of performance; or (c) both; and (2) have such other relief as is, by law or in equity, available to it. Notwithstanding the foregoing, the Park agrees that it will not seek, and does not have the right to seek, to recover a judgment for monetary damages against the Village or any elected or appointed officials, officers, employees, agents, representatives, engineers, or attorneys thereof, on account of the negotiation or execution of any of the terms and conditions of this Agreement. In the event of a judicial proceeding brought by one party to this Agreement against the other party to this Agreement, the prevailing party in such judicial proceeding shall be entitled to reimbursement from the unsuccessful party of all costs and expenses, including reasonable attorneys' fees, incurred in connection with such judicial proceeding.

B. Cure of Default. If a party fails to perform an obligation under this Agreement, it will be in default of this Agreement if it has not cured such failure within thirty (30) days after receipt of written notice of such failure, unless such failure cannot reasonably be cured within said thirty (30) day period, in which case the party shall be in default of this Agreement if it has not initiated a cure to such failure within such thirty (30) day period or, following such period, it has not diligently pursued the cure of such failure (a "Default"). If the performance of any covenant to be performed hereunder by any party is delayed because of Force Majeure, the time for such performance shall be extended by the amount of time of such delay. The party claiming delay of performance because of a Force Majeure event shall deliver written notice of the delay resulting from such Force Majeure, along with an estimate of the duration of such delay, not later than one (1) day after the claiming party becomes aware of the same.

C. No Liability of Corporate Authorities. The Parties acknowledge and agree that each individual member of the Corporate Authorities, if liable for a breach of this Agreement, will be liable solely in his or her official corporate capacity and will have no personal liability whatsoever for any breach of this Agreement by the Village.

D. Village Review. The Village is not, and shall not be, in any way liable for any damages or injuries that may be sustained as the result of the Village's review and approval or failure to approve of any plans for the Property, or for the issuance of any approvals, permits,

certificates, or acceptances for the use of the Property. The Village's review and approval of any such plans and the issuance of any such approvals, permits, certificates, or acceptances does not and shall not, in any way, be deemed to insure the Park, or any of its heirs, successors, assigns, tenants, and licensees, or any third party, against damage or injury of any kind at any time.

E. Park Indemnity. The Park shall hold harmless, protect, defend, and indemnify the Village, all Village elected or appointed officials, officers, employees, agents, personnel, representatives, engineers, insurers, contractors, and attorneys from any and all claims, damages, losses, liabilities, obligations, disputes, demands, damages, causes of action, lawsuits, injury, costs, and expenses that may be asserted at any time against any such parties arising out of negligent acts or omissions with respect to this annexation. Such obligations include the obligation to pay any and all expenses, including legal fees and administrative expenses, incurred by the Village in defending itself with regard to such claims.

Section 8. GENERAL PROVISIONS.

A. Term of Agreement. This Agreement shall be effective from its Effective Date for 20 years, unless sooner terminated as provided herein. During the term of this Agreement as set forth above, the Parties shall not seek or cause disconnection, de-annexation, or exclusion of the Property except upon the written consent of the Corporate Authorities. The expiration of the term of this Agreement shall not affect the continuing validity of the zoning of the Property, any ordinance enacted by the Village pursuant to this Agreement, or any agreement separately entered into by the Parties pursuant to this Agreement.

B. Notice. Any notice or other communication required or permitted to be given under this Agreement shall be in writing and shall be: (1) personally delivered; (2) delivered by a reputable overnight courier; (3) sent by certified mail, return receipt requested, and deposited in the U.S. Mail with postage prepaid; or (4) delivered by electronic mail ("Email"). Email notices shall be deemed valid only to the extent they are: (a) actually received by the individual to whom addressed; and (b) followed by delivery of notice in one of the other manners described herein within three (3) business days thereafter. Unless otherwise expressly provided in this Agreement, notices shall be deemed received upon the earlier of: (i) actual receipt; or (ii) one (1) business day after deposit with an overnight courier, as evidenced by a receipt of deposit; or (iii) three (3) business days following deposit in the U.S. mail, as evidenced by a return receipt. Nothing in this Section will be deemed to invalidate any notice that is actually received.

C. Time of the Essence. Time is of the essence in the performance of all terms and provisions of this Agreement.

D. Binding Nature. This Agreement and the agreements, covenants, rights, and promises set forth herein shall run with the land and shall both bind and benefit the Parties' respective successors and assigns, including successor members of the Village's Corporate Authorities and the Park District Commissioners. This Agreement may be assigned by the Park with the Village's prior written approval and, upon said assignment and acceptance by an assignee, the assignor shall have no further obligations hereunder. Any successor or assignee of the Park shall have the same rights and obligations of the Park with respect to the Property. If a successor or assignee of the Park actively undertakes the Development, it will be bound by the obligations of this Agreement. Nothing in this Agreement shall in any way be deemed to prevent the alienation, encumbrance, or sale of the Property or any portion thereof.

E. Governing Law. This Agreement shall be governed by, construed, and enforced in accordance with the internal laws, but not the conflicts of laws rules, of the State of Illinois.

F. Severability. It is the intent of the Parties to this Agreement that if any provision, covenant, agreement, or portion of this Agreement or its application to any person or property is found to be invalid, illegal or unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement will continue to be valid and enforceable if they can be interpreted, applied, and enforced, consistently with applicable law, to achieve the purpose and intent of this Agreement, including the intent of any invalid provision. The Parties, or any party claiming by or through them, shall not contest or dispute the validity, legality, or enforceability of any provision,

covenant or portion of this Agreement or of any ordinance adopted by the Village pursuant to this Agreement.

G. Interpretation. This Agreement shall be construed without regard to the identity of the party who drafted the various provisions of this Agreement. Each and every provision of this Agreement shall be construed as though all Parties to this Agreement participated equally in the drafting of this Agreement. Any rule or construction that a document is to be construed against the drafting party shall not be applicable to this Agreement.

H. Exhibits. All Exhibits attached hereto are, by this reference, incorporated in and made a part of this Agreement. In the event of a conflict between an exhibit and the text of this Agreement, the exhibit shall control.

I. Amendments and Modifications. No change to this Agreement shall be effective unless and until such change is reduced to writing and approved by the Village and executed by the Park at the time any modification is intended to be effective, pursuant to all applicable statutory or other procedures. The approval or amendment of any plan providing for the development of the Property will not, in and of itself, be deemed an amendment to this Agreement.

J. Headings. The table of contents, headings, titles, and captions in this Agreement have been inserted only for convenience and in no way define, limit, extend, or describe the scope or intent of this Agreement.

K. Consents. Whenever the consent or approval of any party hereto is required in this Agreement such consent or approval shall be in writing and shall not be unreasonably withheld or delayed, and, in all matters contained herein, the Parties shall have an implied obligation of reasonableness except as may be expressly set forth otherwise.

L. Grammatical Usage and Construction. In construing this Agreement, feminine or neuter pronouns shall be substituted for those masculine in form and vice versa and plural terms shall be substituted for singular and singular for plural in any place in which the context so requires.

M. Rights Cumulative and Non-Waiver. Unless expressly provided to the contrary in this Agreement, each and every one of the rights, remedies and benefits provided by this Agreement shall be cumulative and shall not be exclusive of any other such rights, remedies and benefits allowed by law. No party to this Agreement shall be under any obligation to exercise any of the rights granted to it in this Agreement. The failure by any party to this Agreement to exercise at any time any such right shall not be deemed or construed to be a waiver thereof, nor shall such failure void or affect such party's right to enforce such right or any other right. No action taken by any party hereto to enforce this Agreement shall be deemed to constitute an election of remedies and all remedies set forth in this Agreement shall be cumulative and non-exclusive of any other remedy either set forth herein or available to any party at law or in equity.

N. Authority to Execute. Each Party hereby warrants and represents to the other that the persons executing this Agreement on its behalf have been properly authorized to do so by their Corporate Authorities.

O. Calendar Days and Time. Any reference herein to "day" or "days" shall mean calendar and not business days. If the date for giving of any notice required to be given hereunder or the performance of any obligation hereunder falls on a Saturday, Sunday, Federal holiday or Illinois State holiday, then said notice or obligation may be given or performed on the next business day thereafter.

P. Changes in Laws. Unless otherwise explicitly provided in this Agreement, any reference to any Requirements of Law shall be deemed to include any modifications of, or amendments to such Requirements of Law as may, from time to time, hereafter occur.

Q. No Third-Party Beneficiaries. No claim as a third-party beneficiary under this Agreement by any person, firm, corporation, or other entity shall be made or be valid against the Village or the Park, and the Village and the Park do not intend to confer any benefit upon any such person, firm, corporation, or entity by this Agreement. This Section shall not be deemed to limit the rights of successors.

R. No Mortgage. The Park affirmatively state and represent that currently there is no mortgage or other security interest affecting title to the Property.

S. Entire Understanding. This written Agreement, including all of its exhibits, represents the entire understanding between and obligations of the parties and supersedes all prior understands, agreements, negotiations, and proposals, whether written or oral, formal or informal between the parties. There are no implied obligations. All obligations are specifically set forth in this Agreement. Further, there are no representations that induced this Agreement that are not included in it. The only operative provisions are set forth in writing in this Agreement.
