SECTION 2. That Chapter 10, Article V, Section 10-330 is hereby amended as follows:

Sec. 10.330. – Regulations; inspections.

(f) Fences located in rights-of-way and utility and drainage easements. No private fences shall be allowed or constructed on a public street, highway or alley right of way. Fences may, by permit, be placed on public utility easements, so long as the structures do not interfere in any way with the existing underground, ground or over ground utilities. The village or any utility that has authority to use such easements shall not be liable for repair or replacement of such fences in the event they are moved, damaged or destroyed by virtue due to the lawful use of an easement. Fences shall not be located in any platted drainage easement containing a Channel as defined in Sec. 42-5. Care shall be taken to construct fencing such that it does not block the normal flow of surface waters

from rainfall runoff in a Drainage Easement or any other location. The village reserves the authority to remove or cause to be removed any fence placed in a Drainage Easement in a manner that blocks the normal flow of surface waters from rainfall runoff. Inspection notwithstanding, the village shall not be liable for any damage by virtue of a fence placed or adjusted in a manner that blocks the normal flow of surface waters from rainfall runoff. It shall be the sole responsibility of the property owner to determine the fence is placed in a manner that does not block the normal flow of surface waters from rainfall runoff.

SECTION 3. That in the event that any section, paragraph, clause, or provision of this Ordinance shall be declared to be invalid or unenforceable by a Court of competent jurisdiction, such adjudication shall in no way affect or impair the validity or enforceability of any of the remaining sections, paragraphs, clauses, or provisions of this Ordinance that may be given effect without such invalid or unenforceable section or sections, paragraphs, clause or clauses, or provisions of provisions.

SECTION 4. That all resolutions, ordinances, motions, or parts thereof conflicting with any of the sections, paragraphs, clauses, or provisions of this Ordinance shall be and are hereby repealed to the extent of the conflict.

SECTION 5. That the Village Clerk is hereby directed to publish this Ordinance in pamphlet form.
