### Brief Summary:

The Police Department is seeking to post a stop sign, making the intersection located at South Wabash Avenue and West Goodwin Street Lane a two way stop intersection. South Wabash Avenue is a throughway through the residential subdivision with no traffic control. The Bradley Police Department has had several complaints of speeders in this area and has prompted a safety concern due to several designated school bus stops on and adjoining streets within the residential area.

### Recommendation:

Approve Ordinance to make the intersection of South Wabash and West Goodwin Street a two way stop intersection.
